

CARL MORRIS WINS.

Whips Heavyweight Champion of Canada.

Atlanta, Ga., Nov. 12.—Carl Morris, the Sapulpa "white hope," made quick work of Jack Keating, the heavyweight champion of Canada, today at the opening of the Dixie Athletic Club.

Shortly after the second round opened Morris feinted, then caught Keating three times on the chin with a right uppercut, sending the Canadian down for the count of nine. When he arose one blow, a left hand swing to the body that when it landed sounded like bones had been crushed, ended the fight.

Keating was carried from the ring helpless and it was several minutes after in the dressing room before he was revived.

For several weeks some of the wives of members of Monett Lodge No. 513, aided by 513, have been working and planning in an effort to organize an auxiliary. CASSVILLE NOTES.

Robt. Jaquar and John Davis of Monett have moved with their families to the Fred Coles farm where they will work for J. L. Hoover.

A telephone message came Friday bearing the sad news of the death of Sylvan Atkisson, who had an operation performed for appendicitis at the Deaconess hospital in Springfield. He went to his mother's home, Mrs. W. H. Suttles, in Monett sick and from there to the hospital at Springfield.

He was a son of Mr. and Mrs. Albert Atkisson. He was born in Ozark township in this county. He had lived in Cassville for many years and was holding a position at the Cedar Valley Stock Farm when taken sick. The remains were laid to rest in the Clay Hill cemetery at Aurora. S. M. Mitchell and family, Carl Mitchell and family, Cuby Landis Chas. Bayless and a number of others attended the funeral.

AN EVENING AT "BIDE-A WEE"

Monday evening Ronald and Ralston Campbell drove to town on a hay rack and, gathering up a crowd of Monett Seniors who had assembled on the High school campus, drove with them to their home north of town. Here Mrs. Campbell made them heartily welcome, giving them the freedom of the house and yard.

A wood lot near the house was investigated with a view to capturing any unlucky possum that had sought refuge there. Members of the party report various encounters with 'pos'—stiff limbs of dead trees met at dangerous angles, or was it triangles, or circles? The president of the class claims that the skin on his left eye was bisected by a straight limb parallel to his range of vision. Whatever their adventures and exertions the hunters were fully refreshed on their return to the house by apples and some of the pop corn and fudge Mrs. Campbell knows so well how to prepare.

After several games and great merriment the party climbed into the wagon and was driven home. The class of 1913 will leave a wide space in their school calendar for their evening at "Bide-a-wee".

Those present were Misses Anna Conrey, Buna Ruggles, Vonia Botts, Loretta Callan, Emma Brown, Pearl Davis, Eulah Majors, Naomi Leake, Jisla James, Celia Tritton, Hazel Leckie, Bessie Russey, Lena Combs, Pearl Heyburn, Eunice Dummit, Mildred Schofield, Fay Moore, Messrs: Pat Perry, Houston Temple, Leon Wainwright, Osborn Brown, Allen Collicott, Oliver Planchon, Cyrus Henke, Ronald and Ralston Campbell and Miss Nellie Mills.

BUTTERFIELD

The revival meeting recently conducted at this place by Rev. Stribling assisted by Rev. Combs and Lowe resulted in about 80 conversions and the organization of a M. P. Church with 50 members.

Mrs. Thos. Ferguson and little daughter Lonah, went to Springfield Sunday, to purchase goods for the store and will visit relatives there and at Republic.

A Sunday School was organized Sunday with good prospects for a successful school. We have one among the best singing classes in the county. Now let us put the Sunday School in the same class.

The Preachers and most every one else say there was the best attention, best order and least disturbance during the recent revival meeting, they ever saw, which speaks well for our community.

Our people began work Monday on the foundation and hauling lumber for the new church house. May the good work continue.

Had it occurred to you that there was a "democratic" election held recently? That dear old elephant slipped, stumbled, tumbled and fell from strongest first to weak third. Gee whiz; ain't it awful?

G. I. A. UNION MEETING

The Grand International Auxiliary of the Brotherhood of Locomotive Engineers of Monett, Springfield, Ft. Smith, Van Buren and Sapulpa held a union meeting in the B. of L. E. Hall at this place yesterday. Eighty two out of town visitors were present.

The early morning trains were met by a committee of the local Division and visitors escorted to the hall where a reception committee heartily received them and each visitor was presented with a pink carnation as she entered the Division room. There each member of Monett formed a committee of one, and put forth every effort to make the day one long to be remembered.

The hall was beautifully decorated with cut flowers and ferns for which the G. I. A. feel very grateful to the B. of L. E., who also had the hall beautifully arranged and all in readiness for the ladies before 9 o'clock Thursday morning.

The forenoon was spent in visiting and at 12 sharp all went to the Woodmen hall on East Broadway where a bountiful dinner was served by the ladies of the M. E. Church, South. All were seated at once and the dinner was served in elegant style. The table looked lovely with flowers, fancy dishes of salads and many nice things, and fairly groaned with good things to eat. The ladies ate until they groaned too.

The meeting was called to order at 1:30 p. m. Mrs. J. W. Ruggles, president of the local Division delivered the welcome address. Mrs. Noleman, of Springfield, responded in behalf of the visitors.

Mrs. John Boyne was initiated into the order. Monett Division put on all the ritual work and was highly complimented, especially upon their music and drills.

After the ritual work was finished each division was asked to put on some part of the work, and each did much credit to herself. Then talks were given by the presidents and others of the different divisions.

Meeting then closed. All marched down on Broadway where Logan McKee took their pictures. From there they proceeded to the Woodman Hall to partake of more Methodist chicken, then to the show.

The visitors left for their homes with a warm spot in their hearts for Monett.

We are now taking orders for fertilizer. Place your order with us. BUCHNER & THIELEN. The price makes it go.

A Night of Terror

Few nights are more terrible than that of a mother looking on her child choking and gasping for breath during an attack of croup, and nothing in the house to relieve it. Many mothers have passed nights of terror in this situation. A little forethought will enable you to avoid all this. Chamberlain's Cough Remedy is a certain cure for croup and has never been known to fail. Keep it at hand. For sale by all dealers.

A GOOD DAY'S WORK

William and Frank Birkenbach with the help of their two brothers, Charles and Joseph Birkenbach, from Kingman, Kan., did a large day's work in about eight and one-half hours, Monday.

They started to the field to shuck corn and shucked sixteen wagon loads, which amounted to 400 bushels of corn. This was considered a good day's work for the four men, but they did not seem to mind it much.

Mr. Birkenbach Sr., is very glad to think that now most of his corn crop is under shelter.
